- c) What was the purpose of anointing the tabernacle, the altar of burnt offering, etc. as outlined in Exodus 40:9-13? (First, God said to do so. Second, it seems obvious that this was to “sanctify” or set apart the tabernacle, the priesthood, the furniture, etc. as being “holy.” The term “sanctify” and the term “holy” are the same, namely to “set apart.” God is a Holy God and demands our reverence and respect. He is set apart from the evil and sin, and He calls His people to be set apart as well!!)

- b) Did Jesus claim to be able to forgive sins? (Yes, vs. 10)
- c) Looking at Mark 2:17 along with Mark 2:15, why was Jesus actually “eating with sinners?” (As Jesus makes clear, He knew that they were the ones who needed the gospel. Unlike the hypocritical Pharisees, Jesus loved the souls of men and longed for their salvation. While Jesus never endorsed or condoned the evil of sinners, He certainly knew that it was “the sick” that needed “the physician.” Also of note, Jesus was not involved with these folks WHILE they were involved in sinning rather He was spending time with them SO THAT He could bring them to repentance. He was not endorsing their sin, He was trying to save them from it!, vs. 17)
- d) When would the disciples of Jesus fast? (After He was taken away, vs. 20)
- e) What verse is proof that “an accusation” does not necessarily mean that such is true? (Mark 2:24; They said that the disciples of Jesus were doing that

which was not lawful; However, as the text shows (especially the parallel passage in Matthew (i.e., See Matthew 12:7), it was the flawed understanding of the Pharisees that was the problem. Yea, as Jesus said, “The Sabbath was made for man, and not man for the Sabbath: Therefore the Son of man is Lord also of the Sabbath.”)
